MEMPHIS APPEAL

F. A. TYLER, - - - EDITOR. MONDAY MORNING. :::: 0CT. II, 1869.

NEWSPAPER SALES.

On the 31st of March last, the closin day of what newspaper men all concede to be the busiest quarter of the year, returns were made by the several newspa per concerns of this city, showing the fol-

ready for subscribers on Tuesday morning. Merchants and others desiring to communicate with and compliment their country friends, can accomplish their object handsomely tions of the spoilsmen, and who will and creditably by sending them copies stand without blanching in the presof our mammoth weekly, the subscription price of which is as low as

A CORRESPONDENT writing us from the Constitution, who is in sympathy central Mississippi represents a con- with the people against the machinasiderable falling off in the cotton crop tions of the many lordling aristocrats, in the prairie regions from what was and who cannot be bought by them, anticipated. He says, moreover, that and on the other a man who can look

THE Legislature has before it a bill abolishing the Board of County Com- we want the fact. It does not lie in missioners for Davidson county. We the mouths of a people who supported do not understand why Shelby county was not included, and hope it may yet ed, the said Board has been a remarkably injurious nuisance. It has been and were free to choose whom we travagance and official emolument, with high taxation consequent on these abuses. It ought to be abolished be most certainly serviceable to the at once, and either the old system re- country. That Johnson can be trustbetter plan invented with the proper his election to the Senate is dreaded, restrictions and guards.

John Covode, M. C. from Pennsylvania, lately declared in a speech will make their knees shake together, that his "grandfather was sold as a and break the power of the throne slave at Walnut street wharf," and more than any other man in that "it was the captain of the vessel our midst is able to do, that gave him his name-Gavong- is rendered evident by the facts and which has since been changed to circumstances of the situation. The COVODE." Our regard for the negro is time is near, when we should look so great as to make us regret this dis- more to results than causes, and it closure. It is a misfortune to the may be support agencies which otherrace that every "mean nigger" can wise we might not prefer, approve go about boasting of his ancestry, nor choose. During his presidency Our discolored County Commissioner | we all supported and lauded Johnhas nothing to say on that subject, son, without in the least personally because he knows it's of no use- preferring or choosing him as a stand-"men are known by the company ard-bearer; and we may well do the they keep."

plunderers fore and aft."

THE Metropolitan Police system of this city is extremely expensive, and unnecessarily so. Besides, it is irresponsible to a great extent, and uncontrolled by any suitable supervision. controlled by any suitable supervising the past without shutting the door in carpet-bagger. As the representative abuses exist we are not fully advised, but we hear many complaints. We with forced to the individual actors. We should rather, but the complaints abuse the proposes they shall have the offices as well as the votes, power. To how great an extent but we hear many complaints. We call the attention of the members of the Legislature from this city to this made and precedents of our history, and with bounding hope in the resources, energies and equacities of police, under proper regulations, or restrict and control the present, reduce the expenses, hold every officer and member to the strictest account, and protect every citizen in his lawfur rights. Unnecessary violence in making arrests, and all abuses and enucle type of protect every citizen in his lawfur rights. Unnecessary violence in making arrests, and all abuses and enucle type of protect every citizen in his lawfur rights. The police tax is collected and paid over direct to the Superint tendent, and does not go into the cumman treasury of the city. The whole matter will bear overhauling very well.

Earling House.

**Basil "sovereigns" have a right to do. He says: We do not know who the linety chapter of description of Western Produce, as all "sovereigns" have a right to do. He says: We do not know who the linety chapter of the resources, energies and equacities of the first principles and propagation of the city. The whole manter will bear overhauling very well.

**Substitute of the city of prisons and every developed and paid over direct to the Superint tendent, and does not go into the cumman treasury of the city. The whole matter will bear overhauling very well.

**Substitute of the city of the city. The whole matter will bear overhauling very well.

**Substitute of the city of the city. The whole matter will bear overhauling very well.

**Substitute of the city of the city. The whole matter will bear overhauling very well.

**The principle of city of the city o call the attention of the members of with firm adherence to the established as all "sovereigns" have a right to

THE disposition to encroachment by do more for constitutional liberty The Delusions of Byron's Widow the Legislative on the Executive than any other man in Tennes power of the government calls for the And that is a reason for his election to To the Editor of the Pall Mall Gazette: support of the latter by all well- the Senate, which has overwhelming if it was not made impossible by Gen.

GRANT himself, who has thrown himself completely into the Radical Arkansas Farmer of Little Rock. He not be named. Six or seven person hands, supports the policy of Con- is a more than usually sensible Ethio- her communications, three of whore gress, and has no policy of his own, pian, "opposed to Radicalism in every were Americans. Her communic having any practical or efficient direction, so far as the country can distion, so far as the country can distinct form, though he is in favor of its "crowning victory" the defence of her conduct characters. cover. As he was General Mum be- (as the Northern Republican papers or memory. Some of these person This is a surer way to imperial a matter, after all, simply of dollars right to repeat such charges, except dominion over American soil than any and cents," The man who can see stories differed. Her parratives and other which is possible to be pursued all that has more sense than some

sagacity as to consent he may see the advantage of it. To pretend to the one-man power and claim and take open control over a people accustomed to be free, he would be far weaker than any successful despot known to Gov. Chayron started the Chinese history, if he should fail to discover. the very pink of piety and humility, they were afraid it would "put noand Napoleon took care to be First tions in the heads of the colored peo onsul before he assumed the crown ple that might induce some of them of Empire. These things are too fit- to become candidates for office, and miliar to decieve any body. But one thus interfere with their schemes of following letter, written by a negro in tyrant is better than three hundred, keeping the colored people down, only and despotism itself is preferable to as hewers of wood and drawers of aristocracy or anarchy. Gen. GRANT water, whilst they would I of I all the South: knows this full well, and that the paying offices and pocket all the abuses and enforcement of higher-law money." And thus he daguereotypes doctrines by Congress, the longer conone of the Radical "Border Ruffians" "There is Mr. Hodges, who made the \$70,000 out of the Penilentiary Contract who is mighty loud in his professions of friendship for the colored people, but he has had one of them sent to the penitentinued, will only the more and more prepare the people to endure the lesser. vils of strong government, They want 'peace," and while he has done nothing to promote it, he is the only man, who, as the people's idol, has friend of the poor colored by a real, true friend of the poor colored boy, whose ig

norance, perhaps, was his only crim But that is not all that Mr. Hodges is de one that is not at a control of the least that is not always and the penitentiary convicts on good, ful outside jobs, for which he gets well paid, on which the honest colored laborers of the city ought to be amplayed. And he is now trying to use his influence with the colored people to have officers elected in the city governby the course of events. The friends mand a man for the times, a friend of the Constitution who has not falhave officers elected in the city govern-ment that will give him the contract for building bridges and other public works, on which he will employ convict labor— to the great injury and prejudice of the honest colored laborers of the city. So ence of power. In the present cirfar does Mr. Hodges carry his love for the that of the great New York weeklies, which it equals in size and amount of reading matter.

A converse of which is as low as cumstances, and in a large and nations given, that instead of cumploying a land good, honest colored girl as a house servant, we are credibly informed that he appropriates the services of one of the colored convicts for that purpose. And Mr. Hodges is the very King of the Radicals in this town? We wonder whom our colling the Constitution, who is in sympathy cumstances, and in a large and na-

exclaimed, "let us have peace!"

What he is to gain by it will be seen

THE negro editor of the Missionar Record, the Radical organ in South Carolina, pronounces the doom of the

Sir. Lady Noel Byron resided, on wishers to the country, and such as would have the Constitution observed.

And this would gladly be our course, son than by animosity and passion.

Solve I any voer Sylon resules, and and off, many years in Brighton, and ther circle of friends coincided very closely with my own. For most of these years I heard of but one crime TABBS GROSS is the editor of the band, but latterly of two, which need more or less known to me received fore his election, so he is King Log call it) of "universal suffrage." He received them as Mrs. Beecher Stowe now. He is either too stupid or unwilling to use his influence for the restoration of the Constitution, or he professions go, simply because through has a design to build up an imperial their votes they are put and kept in friends asked me to talk with her on power by encouraging Congress to good paying offices. There is no pursue its career, and by supporting PRINCIPLE in this. Rebeis would do its redicion until the country bemility advertisements, & for first, and \$1.60r its policies, until the country bemility advertisements, & for first, and \$1.60r comes utterly sick and disgusted.

The same thing if the colored voters of the same thing is the same thing if the colored voters of the same thing is the same thing if the colored voters of the same thing is the same thing if the colored voters of the same thing is the same And we will do so much justice to his white people who cannot see i ft. The confidences who knew He says the Radical politicians of Arkansas, in most cases, "used to be old Border Raffian Democrats;" that they are "at heart hostile and un-friendly to the colored people;" that touched. Suspicious had become delusions. Three of her friends, myself history, if he should fail to discover.

Tyrants are usually remarkable for Little Rock Republican denies the elitheir democratic platitudes and modesty, and for their professed unwillingeess toat the crown should be placed on their brows. O.ESAR was a chief friend of the people, Cromwell was the very pink of piety and humility. No. 12 Norfolk Road, Sept. 12, 1869.

> Sound Counsel. The Richmond Whig publishes the Africa, who has lived there for nearly twenty years. We commend it to the perusal of the colored men of the I have now lived in this home of

the African for nearly twenty years, but I have not forgotten the old scenes in Virginia, nor the kindness of my friends in former days. I wish it was in my power to return for a time, that good supp my voice might be heard by my col-ored brethren of the Southern States. I am anxious for their fate, I sit here on the shores of this continent, filled with a native black population and look across the water to your con tinent filled with white men. I can not but be fearful in regard to the future of the few millions of people of my own blood in the South, now left

to their own resources, I see a tide of white men pouring over those fields; a tide coming from the overflowing population of the Northern States and Europe. I re-member how that tide, when teeble and slow, swept off the native Indians and now, as it rushes in its might what is to shield the transplanted African from its waves? I can think of

but one hope for him.

If, as a body, the colored ored countrymen will have their eyes with the white people, who now occupened to the false professions of their cappy and hold the soil, gain their affection and confidence, and become Mr. Tabus is right. The logical useful members of their communities, conclusion is, give the negro votes, they may float above the torrent and you must give him office he is still dwell in peace among the associ-
